We invite groups of folk dance, modern dance, ballet, chorus, music, circus, band and harmonica, traditional street games, dance theatre and rhythmic gymnastics consisting of children aged between 8 and 14.

More than one group from each country can participate in the festival with as many participants as they wish.

However, full board accommodation and local transportation in Antalya of one group (8 - 14 years old 8 performers and 2 leaders: **10 people in total**) from each country will be **provided free of charge** by the Organization Committee if group will participate with **at least 30 participants**

Other groups and participants who will participate in the festival will pay a participation fee.

We invite your group or a group or groups you suggest from your country to our festival which is to be held in Antalya which is visited every year by millions of tourists.

We kindly ask the group leaders who will participate in the festival to examine in detail the application form and the conditions of participation in the attachment.

Group leaders should fill in the application form completely and send it to FOMGED Head Office by **November 15th, 2018**.

Different cultures from different places of the world will meet in Antalya once again. They will send out messages of friendship, peace and love to the whole world from this city, the pearl of the Mediterranean.

We'd like to let you know that we'd be honored to see you among us.
